RULE 26.1 CORPORATE DISCLOSURE STATEMENT

Pursuant to Rule 26.1 of the Federal Rules of Appellate Procedure and
D.C. Circuit Rule 26.1, Petitioner submits the following statement:

The National Rural Electric Cooperative Association (“NRECA”) is the national association for nearly 900 not-for-profit rural electric cooperatives and public power districts that provide electric service to roughly one in eight Americans, covering 56% of the Nation’s landscape. Rural electric cooperatives serve millions of businesses, homes, schools, farms, irrigation systems, and other establishments in 2,500 of the nation’s over 3,100

counties, including 92% of the Nation's persistent poverty counties. America's electric cooperatives are owned by the people they serve, and they comprise a unique sector of the electric industry. Electric cooperatives are focused on providing affordable, reliable, and safe electric power in an environmentally responsible manner. NRECA is not a publicly held corporation, and NRECA has no parent corporation. No publicly held company has 10% or greater ownership interest in NRECA.
